Thomas Nelson Community College

Associate Applied Science in Management

STUDENT DATA:

NAME: ROADMAP'S DEGREE   **SSN:** 000-00-0000

	Credit Required	Potential Credit

College Composition I (ENG 111) [EN024A]   3.00

(Develops writing ability for study, work, and other areas of writing based on experience, observation, research, and reading of selected literature. Guides students in learning writing as a process: understanding audience and purpose, exploring ideas and information composing, revisions, and editing. Supports writing by integrating experiences in thinking, reading, listening, and speaking. College credit by examination may apply.)
{DANTES Code = 11.07.00}

College Composition II (ENG 112) [EN025A]   3.00

(Develops writing ability for study, work, and other areas of writing based on experience, observation, research, and reading of selected literature. Guides students in learning writing as a process: understanding audience and purpose, exploring ideas and information composing, revisions, and editing. Supports writing by integrating experiences in thinking, reading, listening, and speaking. College credit by examination may apply.)
{DANTES Code = 11.07.00}

Industrial and Organizational Communication (SPD 227)   3.00

(Prerequisite(s): ENG 03, ENG 05 if required by individual student's placement. Applies communication theory and principles to industrial and organizational settings.)
{DANTES Code = 04.10.00}

Humanities/Fine Arts Elective   3.00

(For selection of Humanities or Fine Arts electives refer to the approved General Education Transfer Electives in the A.A.S. Degre Program section of the catalog. College credit by examination may apply. Visit the TNCC website for a description of courses available.)
{DANTES Code = 08.06.00 or most 08.XX.XX series}

Survey of Ecominics (ECO 120)   3.00

(Prerequisite(s): ENG 05 and MTH 01 or equivalents. Presents a broad overview of economic theory, history, development, and application. Introduces terms, definitions, policies, and philosophies of market economics. Provides some comparison with other economic systems. Includes some degree of exposure to microeconomic and macroeconomic concepts.)
{DANTES Code = 20.05.00 or 20.05.06}

Introduction to Mathematics (MATH 120)   **3.00**

(Prerequisite(s): ENG 05 if required by individual student's placement; a
placement recommendation for MTH 120 and one unit of high school
mathematics or equivalent (MTH 01). Introduces number systems, logic,
basic algebra, and descriptive statistics. - Intended for
occupational/technical programs.)
{DANTES Code = 14.07.00}

Health or Physical Education Electives HLT / PED   **2.00**

(Visit the TNCC website for a description of these courses.)

College Success Skills (SDV 100)   **1.00**

Encourages contacts with other students and staff. Assists students toward
college success through information regarding effective study habits,
career and academic planning, and other college resources available to
students. (May include English and math placement testing. Strongly
recommended for beginning students. Required for graduation.)

Principles of Accounting I (ACC 211)   **3.00**

(Presents accounting principles and their application to various
businesses. Studies services, income determination, asset valuation, and
financial reporting. Studies services, merchandising, and manufacturing
operation, including internal controls, analysis of financial statements,
cost accounting systems, and managerial concepts. College credit by
examination may apply.)
{DANTES Code = 03.01.00}

Principles of Accounting II (ACC 212) [AC025A]   **3.00**

(Presents accounting principles and their application to various
businesses. Studies services, income determination, asset valuation, and
financial reporting. Studies services, merchandising, and manufacturing
operation, including internal controls, analysis of financial statements,
cost accounting systems, and managerial concepts. College credit by
examination may apply.)
{DANTES Code = 03.01.00}

Introduction to Business (Bus 100) [BU001A]   **3.00**

(Presents a broad introduction to the functioning of business enterprise
within the U.S. economic framework. Introduces economic systems, essential
elements of business organization, finance, marketing, production, and risk
and human resource management. College credit by examination may apply.)
{DANTES Code = 03.10.07}

Business Mathematics (BUS 121) [MH071A]   **3.00**

(Applies mathematical operations to business processes and problems.
Reviews operations, equations, percents, sales and property taxes,
insurance, checkbook and cash records, wage and payroll computations,
depreciation, overhead, inventory turnover and valuation, financial
statements, ratio analysis, commercial discounts, markup, and markdown.
College credit by examination may apply.)
{DANTES Code = 14.02.01}

Principles of Management (BUS 200) [MG001A]   3.00

(Teaches management and the management functions of planning, organizing,
directing and controlling. Focuses on application of management principles
to realistic situations managers encounter as they attempt to achieve
organizational objectives. College credit by examination may apply.)
{DANTES Code = 03.10.00}

Organizational Behavior (BUS 201) [MG026A]   3.00

(Prerequisite(s): ENG 05 if required by individual student's placement.
Presents a behaviorally oriented course combining the functions of
management with the psychology of leading and managing people. Focuses on
the effective use of human resources through understanding human motivation
and behavior patterns, conflict management and resolution, group
functioning and process, the psychology of decision making, and the
importance of recognizing and managing change.)

(Prerequisite(s): ENG 03, ENG 05 if required by individual student's
placement. Teaches political institutions and processes of the national
government of the United States; focuses on the Congress, presidency, and

the courts and their inter-relationships. Gives attention to public
opinion, suffrage, elections, political parties, interest groups, civil
rights, domestic policy, and foreign relations. College credit by
examination may apply.)
{DANTES Code = 20.08.01}

Degree Reated Electives   12.00
(At least two of the four electives must have a BUS prefix. The remaining
two may be selected from the following: ACC, BUS, IT, IND, ECO, MKT REA
and AST236. Visit the TNCC website for a description of courses
available.)
{DANTES Code = most 03.XX.XX series or 03.11.00 or 03.11.02 or 03.11.05 or
04.01.01 or 04.01.09 or any 20.05.XX series or any 03.01.XX series}

Excess or Duplicate Credit

TOTAL 66.00   0.00

Thank you for requesting support from the U.S. Coast Guard Institute (CGI). Whereas
we serve as an activity in support of your unit Educational Services Officer (ESO),
you are encouraged to seek assistance from your local ESO in your academic
endeavors. The following information is provided to help you understand what is
presented in this degree plan:

This document is an UNOFFICIAL Degree Plan to provide you with a preliminary
assessment of how your prior learning experiences might fit into the specified
degree program for this academic institution. If you choose to pursue this degree
option, you must present it to a college representative, who will review it for the
following:

o Accurate representation of the college's degree program requirements, including
course numbers and titles, credit hours for each course, lower- and upper-level
course requirements, and the total number of credits needed for the degree.

o Appropriate assignment of ACE Guide-recommended credit at the lower or upper
level for military service schools and occupations, CLEP, DSST, and other tests,
transfer credit for courses from other colleges and universities, certification
programs, etc.

o Appropriate assignment of SOC Course Category Codes from the SOC Handbook
Transferability Tables. The SOC Degree Program Handbooks can be obtained from the
SOC web site at: www.soc.aascu.org should you wish to learn more about the course
transfer guarantees among SOC network institutions.

IMPORTANT NOTE: When you are ready to seek admission into this degree program,
please contact the USCG Institute at 1-405-954-7241. Your advisor will send the
college or university an official U.S. Coast Guard Institute transcript, a copy of
the degree plan, and a ready-for-signature SOC Student Agreement which, when signed
by a college official, becomes a contract for degree completion committing the
college or university to supporting you in your academic endeavors.

Credit for all courses you have taken must be reflected on official transcripts sent
directly to this college from the administrative offices of the colleges you
previously attended. This degree plan is often used for information purposes by

college counselors pending receipt of the official transcripts from the source colleges.

This degree plan is not intended to compete with your local college or university. Keep in mind, you are allowed to transfer in a significant amount of the degree requirements to this institution. As such, credit from local colleges, college level examination programs, or advanced military training may be applied to this degree. You may also complete the courses necessary from this college either in residence (on campus or possibly on a military base at a campus extension in the Education Center) or through distance delivery of the courses. If you have questions, please contact the college counselor or your advisor listed at the bottom of this Degree Plan.

DEGREE PLAN LEGEND:

SH   = Semester hours
VOC   = Vocational, not relative to an academic degree
LL   = Lower Level, i.e. courses at the Freshman/Sophomore level
UL   = Upper Level, i.e. courses at the Junior/Senior level
GL   = Graduate Level (sometimes recommended by ACE for very complex courses)
[#] such as [EN024A] or [EN024B] = SOC Course Category Codes*
{#} such as {DANTES Code = 01.02.03} = DANTES Academic Codes **

* SOC Course Category Codes: Service members Opportunity Colleges (SOC) is a consortium of over 1,600 accredited colleges and universities seeking to provide degree opportunities to the military. Over 170 of these institutions participate in network degree programs developed for the Army, Navy, Marine Corps, and Coast Guard. A SOC course category number beside a course from one of these institutions, such as [EN024A] or [EN024B] for English Composition, indicates that courses from other degree program institutions with the same code may be taken to satisfy the degree requirement. See the SOC Degree Programs Handbooks at http://www.soc.aascu.org/

** DANTES Academic Codes: The Defense Activity for Non-Traditional Education Support (DANTES) publishes the DANTES Independent Study Catalog (DISC) annually, which lists more than 6,000 courses from dozens of regionally accredited colleges and universities. Because this is a degree from a SOC affiliated college, the academic residency requirements are limited, thereby allowing students to transfer in a significant portion of the degree, as mentioned above. If the course you desire to take is not offered by this institution when you want to take it, consider the opportunities the courses in the DISC present. For more information, visit http://www.dantes.doded.mil/dantes_web/distancelearning/disc/front/cont.htm   Keep in mind, you should always check with the counselor or academic advisor at this institution before enrolling in a course listed in the DISC to ensure it will be accepted in transfer toward this degree.

Thomas Nelson Community College: General Information

The 1966 session of Virginia's General Assembly in active legislation established a statewide system of comprehensive community colleges. A local committee investigated the need for and feasibility of a community college for the region and requested the State Board for Community Colleges to approve an application to establish Thomas Nelson Community College. A site almost in the population center of the Peninsula

area was selected and a local board of advisors was appointed. After the site was purchased by the City of Hampton, construction was begun on the initial phase of four buildings in August 1967, and the cornerstone was laid December 5, 1967. Construction was completed, and 1,232 students began classes on September 20, 1968. Thomas Nelson Community College graduated its first class of students with associate's degrees on June 13, 1970.

Thomas Nelson Community College is a two-year institution of higher education established as a part of a statewide system of community colleges. It primarily serves the residents of the cities of Hampton, Newport News, Poquoson, and Williamsburg, and the counties of James City and York. The college operates under policies established by the State Board for Community Colleges and with the guidance of the Thomas Nelson Community College Board.

Thomas Nelson Community College provides comprehensive arts and sciences transfer and occupational/technical programs, and workforce development that prepare students for success in the global community and workforce of the future. Through local partnerships, and by providing life-long learning opportunities, cultural activities, as well as intellectual and problem-solving resources, TNCC also enhances the quality of life for citizens in its region.

Virginia's community colleges offer a number of different ways to learn and earn academic credit. Some distance learning options do not require attendance in a traditional class on campus, while others combine the use of online learning with traditional classroom meetings. Distance learning courses provide flexibility and convenience in reaching your educational goals. However, distance learning courses are academically rigorous. They are best suited for self-motivated students who are comfortable with independent learning, students who can budget their time effectively, and students who possess good study skills.

TNCC is accredited by the Commission on Colleges of the Southern Association of Colleges and Schools.

Tuition for in-state students $68.00 per credit hour, for out-of-state students tuition is $214.00 per credit hour. (subject to change)
